

Porcelainingres. Dune.

The result of a unique dialogue between sophistication and minimalism: Dune goes beyond mere aesthetic, inspiring admiration for its understated yet elegant appeal.

Porcelaingres. Timeless.

Porcelain stoneware surfaces. Where Italian design meets German quality.

Who we are.

We are part of the Italian Iris Ceramica Group, one of the world's leading high-end suppliers of ceramic surfaces.

In our two production sites in Vetschau (Germany) and Castellarano (Italy), we manufacture premium ceramic surfaces, that follow the highest standards in quality, sustainability, and innovation.

What we do.

We are specialized in the production of porcelain slabs in standard and large formats as well as special pieces. Our product range covers ceramic solutions for indoor and outdoor applications offering an exclusive range of colors, finishes, effects, formats, and thicknesses.

How we do.

We are passionate about rethinking standards and embrace customer needs and change as opportunities to optimize our competence in ceramic craftsmanship.

Everything we do is based on our values, which we consistently prioritize in our product development:

Quality.

We provide our customers with premium porcelain surfaces that meet the highest demands of design, functionality, and durability.

Sustainability.

We are committed to minimizing our impact on the environment through sustainable production practices, responsible sourcing of raw materials and waste reduction.

Innovation.

We constantly improve our products and services to meet customer and market demands.

Let's start a project.

Together.

Collection: Dune | Color: Amber

Dune.

Inspired by the versatility and cross nature of limestone, Porcelaingres presents a palette of warm color tones perfect for a welcoming environment.

Mirroring the graceful silhouette and undulations of desert dunes, each piece of this collection evokes the fluid lines and organic shapes found in the landscapes of vast sandy expanses.

A selection of porcelain slabs that generate a soft and serene atmosphere where time moves slowly, bringing forth a sense of natural beauty and tranquility.

Material essence.

A remarkable journey where artistry meets sustainability.

Satin surfaces crossed by slight veins, recalling the natural elegance and beauty of lightly marbled limestone. The gentle texture of Dune invites a tactile experience that harmonizes beautifully with its visual appeal.

Discover the exquisite beauty of surfaces that reinvent nature's masterpieces, all while honoring our commitment to the planet we cherish.

Together, let's create spaces that not only captivate the eye but also nurture the soul.
